TAMPA, FL 33602

**HAZARDOUS MATERIALS SAFETY PERMIT
HM Safety Permit ID: US-76600-FL-HMSP
Effective Date: October 10, 2024**

Dear RANDALL STRUTZ:

The Hazardous Materials Safety Permit (HMSP) is verification of the motor carrier's permission to engage in the transportation of hazardous materials listed in 49 CFR 385.403 by motor vehicle in interstate, intrastate, or foreign commerce.

This HMSP will be effective beginning October 10, 2024 and remain effective through October 31, 2026 if your company maintains compliance with the requirements pertaining to the safe and secure movement of hazardous materials for the protection of the public (49 CFR 385 and other applicable Federal Motor Carrier Safety Regulations and Hazardous Material Regulations). Failure to maintain compliance will constitute sufficient grounds for suspension or revocation of this authority.

Willful and persistent noncompliance with applicable safety fitness regulations as evidenced by a Department of Transportation safety fitness rating less than "Satisfactory" or by other indicators, could result in a proceeding requiring the holder of this permit to show cause as to why this authority should not be suspended or revoked.

For questions regarding this document you may contact the FMCSA Hazardous Materials Division by email at fmcsa.hmsp@dot.gov or by phone at (202) 385-2400 or by fax at (202) 366-3621.

Sincerely,

Paul Bomgardner
Chief, Hazardous Material Division
